REQUEST FOR PROPOSAL

The Arthur Township Board is requesting bid proposals for weekly residential solid waste removal and recycling for the township. Service is expected to begin February 2026. Arthur Township currently has approximately 289 residences receiving service, along with a 10-yard comingled recycle can located at the township hall, also receiving weekly pick up.

Please include in your bid, the cost of service (including totes) per residence, additional tote cost if applicable, and large item pickup requirements for approximately 289 residences, and a separate line item for the recycling collection. We are interested in a 5-year contract, but will entertain any recommendations concerning length of contract.

The Arthur Township Board requests a direct contact with the contractor to discuss service issues and billing questions.

Sealed bids will be opened and read aloud during the November 2025 board meeting to be held on Monday, November 10, 2025, 7:00 p.m., at the Arthur Township Hall located at 3031 South Athey Avenue, Clare, MI 48617.

Bids shall be received by the township on or before November 10, 2025. Please include five (5) copies of your bid with the submission. Please note, the township office does not have regular business hours. For submission of bids via UPS, FedEx, or USPS, schedule delivery to be received by November 5, 2024, and delivered to:
